

# Fixed Income Portfolio Attributes

March 31, 2019

**A quarterly update for individual investors**

---

This quarterly update outlines the key attributes for the suite of fixed income fund offerings managed by Portico Investment Management, a division of GLC Asset Management Group Ltd. Portfolio attributes reflect the portfolio strategy used by the London Life segregated fund shelf and made available to individual investors.

For more fund information please refer to the last page of this report.

**GLC portfolio mandate categories defined:**

- Core: A core fund is measured against a broad benchmark.
- Specialty: A specialty fund seeks the best opportunities within a specific industry, sector or region of the world
- Alternative: An alternative fund invests in opportunities outside of traditional stocks or bonds. These funds have the potential to provide good diversification and exposure to new opportunities.
